1. Describe Jesus' experience as fully man in the Garden of Gethsemane.

---

---

2. How did Jesus demonstrate He was fully God in the Garden?

---

---

3. Meditate on your answers to questions one and two above. How does it make you feel to zoom in on Jesus' experience when He went a little further than all the rest in the Garden?

---

---

4. How does going a little further relate to decision points people face in their life?

---

---

5. Name five ways the whole church can go a little further in ministry.

---

---

6. Fill in the blanks:

You can't go a little further with \_\_\_\_\_.

We must go a little further with \_\_\_\_\_ and not \_\_\_\_\_.

7. List five areas where individuals could go a little further as growing Christians.

---

---

8. Why do many Christians tend to stay where they are rather than going a little further spiritually?

---

---

9. Describe how vision and passion catalyze us toward going a little further.

---

---

10. What is a "get to" attitude? How does it relate to going a little further?

---

---

11. How did King Uzziah's death catalyze Isaiah to go a little further with God?

---

---

12. Give examples of a Christian's growth using step aerobics to illustrate:

Using the board only: \_\_\_\_\_

One Step: \_\_\_\_\_

Two Steps: \_\_\_\_\_

Three Steps: \_\_\_\_\_

13. What are the three spiritual truths that guide us in the way to go a little further and step up a little higher?

---

---

**FOR DEEPER STUDY**

1. Read Acts 9:1-28. How did Saul go further than he ever imagined he would for God?

---

---

2. Read John 6:53-69. What decision point occurred that resulted in the twelve disciples going a little further with Jesus?

---

---

**HUDDLE GROUP DISCUSSION**

1. Name a ministry within your church that needs to go a little further. Why does it need to go further? Be specific about how it could advance.

---

---

2. Jesus went a little further for you. Are you sure you're born again in Him? How do you know you've gone far enough to really receive the free gift of salvation?

---

---

3. Describe someone you know who is using all three steps and a fast tempo in his or her spiritual aerobics skills as a witness for Jesus.

---

---

**BREAK THE HUDDLE!**

Name one area of your spiritual walk with Christ where you need to go a little further. What will you do to get in better shape and step up higher for Jesus?
